About Careers for Women

Careers for Women is about assisting women with their career options.

The program is part of Joblink Midwest's Career Centre Services.

Careers for Women focuses on the needs of women who may be:

- Wanting to return to the workforce
- Looking at changing their career
- Aiming to start work for the first time

Careers for Women is a flexible, streamlined service exploring your career options in a supportive environment

Career Guidance

Are you unsure of your next career move?

Joblink Midwest's Career Centre staff are trained in Career Guidance and ready to assist you in finding your career.

Skills Assessment

Do you need help to identify your skills?

Our Career Centre staff can help identify your skills and strengths while assisting to develop new skills to achieve your career goals.

Interview Skills

Need to gain the edge and improve your interview skills?

Successful interviews are all about the planning. Our staff will guide you through the process and increase your confidence for that next interview opportunity.

Resume Assistance

Is your resume the best it can be?

Our Career Centre staff can help you create a professional resume that highlights your skills and strengths.

Job Application Assistance

Do you find the process difficult?

Quality applications get noticed. If you are missing out on interviews it may be your application letting you down. Our Career Centre staff can assist with your applications.

Training & Employment Options

Need some direction with training and employment options?

We can assist in matching the best training and employment options that support your personality and abilities for your future career pathway.
